FOUNDER'S NOTE

35 years ago, I found myself on a similar path as you are on right now. I had researched 25+ universities across 4 countries. I even travelled overseas and visited 15 University campuses to find the right University for me. After I graduated, I used the learnings from my study abroad journey to start consulting students. In 1991, Edwise was born, and since then we have successfully helped 250,000+ students gain admission to their dream university.

In recognition of this journey and contribution to international education, I was recently honoured with the AIRC Distinguished Service Award.

Edwise has 200+ expert counsellors who are here to guide you at every step to find a university and a destination that are the right fit for you. I'm confident that you will be directed well by our phenomenal team. Thank you for trusting Edwise for your study abroad journey!

I wish you all the best! And don't forget to have fun!

Warm Regards,
Sushil Sukhwani,
